

August 1, 2011

Dear Mobility Voucher Program Participant,

I hope that this note finds you and your family well.

With school starting right around the corner, I have enclosed some information from Hennepin County reminding parents to make sure that their school-aged children are up to date with their immunizations.

Some places to get immunizations before school starts include:

- Hennepin County Public Health
 - Clinics are located in Bloomington, Brooklyn Center, Crystal, and Minneapolis
- Minneapolis School-Based Clinics
 - Clinics are located at Broadway Arts and Technology, Edison, Henry, North, Plymouth Christian Youth Center, Roosevelt, South, Southwest, and Washburn
- NorthPoint Health and Wellness Center
 - Annual "Shot Clinic" is from August 15-September 9 from 9:00 am to 4:00 pm
 - NorthPoint is located at 1313 Penn Avenue North; they can be reached at 612-543-2500.

Please note that these are walk-in clinics so no appointments are needed. However, it is still a great idea to call ahead of time in order to get all of the information- I have enclosed flyers for Hennepin County Public Health and the Minneapolis School-Based Clinics.

For more information, please call 612-348-2884 or go to www.hennepin.us/vaccines.

As always, if you need anything, please give me a call.

Sincerely,

Cynthia Yuen

Are your children immunized for school?

Here's what you should do NOW:

- If you have health insurance, ask your health care provider if your children are up-to-date on immunizations.
- If you don't have health insurance or your insurance doesn't cover immunizations, low-cost shots* are available at Hennepin County Immunization Clinics (see locations and times above).
 - Just walk in to a clinic – no appointments necessary.
 - All required school immunizations are available.
 - Bring your immunization records with you.
 - For more information about these clinics, call 612-348-2884 or go to www.hennepin.us/vaccines.
