

Afterschool Programs (Updated 7/2011)

There are an abundance of afterschool programs for children throughout Minneapolis. In addition to Minneapolis Public Schools' Minneapolis Kids Program and the Minneapolis Parks and Recreation Board's RecPlus Program, other organizations have afterschool programs. Please note that this list does not include every organization that has an afterschool program, but rather a sampling. You are strongly encouraged to look for the afterschool program that is most appropriate for your children.
